Why Gluten-Free?

Hanna, my daughter, was diagnosed with Celiac disease in 2005 at the age of 7. One of the first goals after we opened our first restaurant was to provide quality, delicious, gluten-free food, and, more importantly, to educate our staff about what being "gluten-free" really means. We are very proud of what we have created and even more proud of the staff that stands behind it. Years later, ALL restaurants in our **OG Hospitality Group** offer great gluten-free menus. And Hanna, now a bona fide food-diva, has had a hand in all of it. (At least she thinks she does!)

So why gluten-free? We don't do it because the competition is doing it across the street. And we don't do it because its a fad or something we're required to do. We do it because we live it everyday and understand all too well the challenges of going out to eat and finding delicious, healthy gluten-free options.

If you have questions regarding our gluten-free menu or comments or suggestions of things you like or dislike, please email me at glutenfree@oghgstl.com.
